

Beaufort Hill Primary Building Brighter Futures

Inspiring and exciting all to become respectful life-long learners.

#BestofBeaufort

After School Clubs @ Beaufort Hill Primary School

We have lots of after school clubs available throughout the school year to enhance our curriculum offer. We ask the children what experiences they would like and we think about what after school clubs would help our children realise the 4 purposes. Throughout the academic year we offer lots of clubs including mindfulness, art and craft, table-tennis, rugby, welsh club, dance fit, cross country and many others!
