

Dispute Resolution

Early Resolution

The process of developing an Individual Development Plan (IDP):

- Makes sure the views, wishes and feelings of you and your child or young person are represented
- Helps to overcome concerns and disagreements from arising

Early resolution of any disagreements is best for everyone and can help to avoid unnecessary stress.

If you are unable to agree on a decision about provision, it may be helpful to have independent, impartial help.

SNAP Cymru

SNAP Cymru are an Independent Parent Partnership service that is free to families and offers impartial, accurate information, advice and support to:

- Help bring together all relevant parties
- Support the needs of the child and young person
- Help to achieve early and informal resolution of disagreements through discussion and agreement
- Discuss the full range of options

SNAP Cymru is an all-Wales children's charity working with families, young people and professionals on issues regarding additional learning needs and disabilities.

SNAP Cymru has an information and advice line that is available Monday to Friday 9.30am - 4.30pm
